

Below are discounted extended stay hotel recommendations – be sure to ask for the “Paley Institute Rate”.

*Please be aware that there is a cap on the number of rooms available during peak season and lodging rates for condos often double during January-April.

Check out our website for more discounted hotels: www.paleyinstitute.org. Many of our families rent condos/find housing on www.vrbo.com or www.airbnb.com, etc.

If you have questions please contact: inquiry@paleyinstitute.org
